

**You're going to hear rumors of the end
and false messiahs; do not believe it.**

**The world is going to get crazy
and there is nothing you can do to stop it.**

**All of this is going to have to happen
and you will have to persevere.**

**You will have to be ready; being ready
means taking care of God's people.**

**The priests aren't doing it,
so you will have to.**

**Persevere and be ready
by taking care of the oppressed.**

**Parable of the Foolish
Bridesmaids — be ready!
The priests aren't doing it,
so you will have to.**

**Parable of the Talents —
you'll have to give an account.
Persevere and be ready
by taking care of the oppressed.**

**Parable of the Sheep and Goats —
take care of the oppressed
and do what the priests aren't doing.**
